Dressed for success

U Got the Look 91

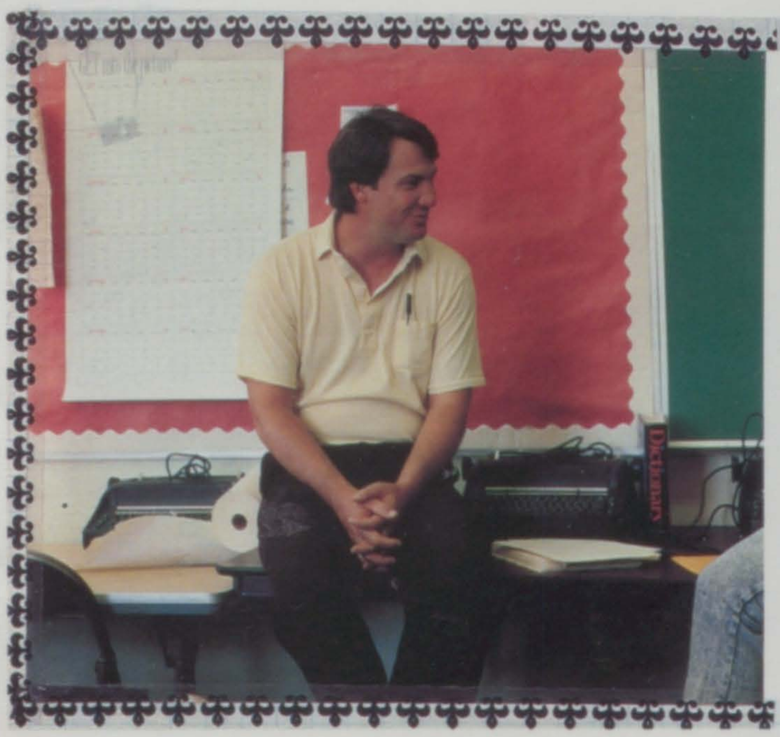

Although Rebecca Quintana isn't a class officer, she represents the spirit of the senior class a great deal. Through her high school years, Rebecca participated in volleyball and softball all 4 years and played basketball 1 year. She also served as manager during her sophomore and junior years.

While Patrick Peralta brightens everyone's day with his smile, he has had a very busy high school career. He has been involved in band for 4 years. He was a delegate to Boys State and the BYU engineering program. To sum up, both Rebecca and Patrick are great representatives of the Class of '91.

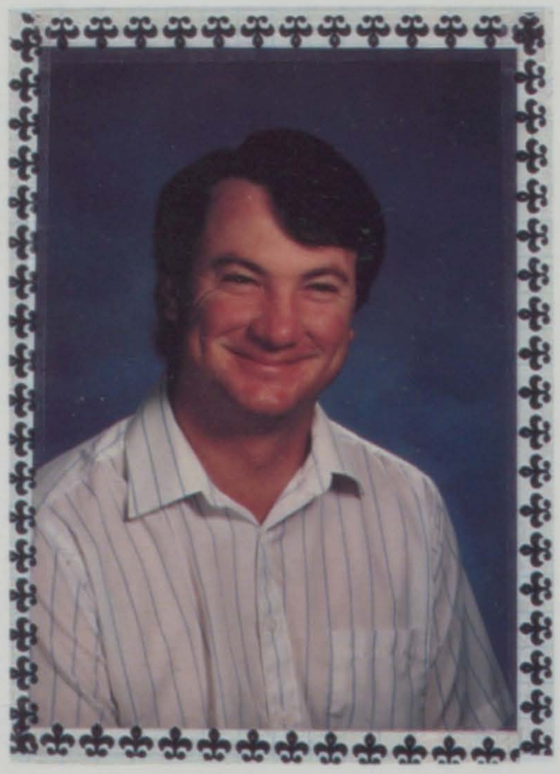

Nothing

Compares

Mr. Taylor this years annual dedicatee has deserved this honor 100%. This hard working teacher dedicates most of his time to his wonderful students. Mr. Taylor teaches Junior and Senior english and of course his journalism and annual classes. He graduated from N.A.U with his bachelor and masters degree. We all want to thank you for a wonderful year. Your the BEST!

I know it's only rock and roll

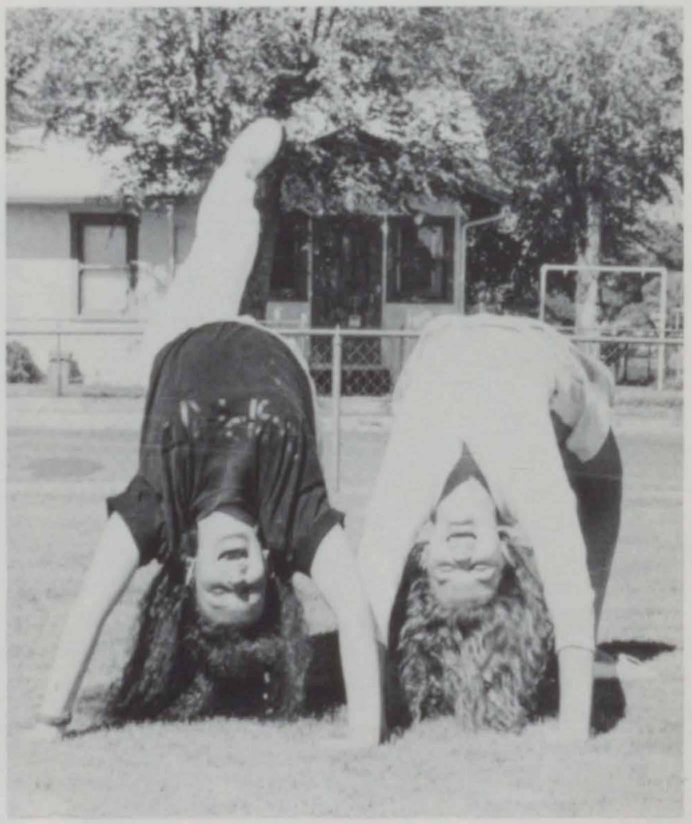

Students at Winslow High School have a great interest in various types of music. Some attend concerts and play musical instruments, but for many students, music is simply a part of their daily lives. These students use the universal language constantly because most have access to tapes and CD's which connect them to the highlights of dancing, different body movements, and the latest fashions.

John, Shelly, Linda and Traci all needed to see Dr. Feelgood

Mike and Jamie play at a football game.

PRESENTING: Marci and Lacy the human slinkies.

but I like it!

Kristie, Pat and Roberta out ditching class.

Michele working hard in Petro's office.

Jacob playing the piano one-handed.

Brandon practices saving the life of a dummy.

Chris and Josh at the creek testing their will.

Kelli, Christine, and Keturah the three stooges.

Motley Crue

Fred Harris and J.J. Reese. "On the road-again!"

Editors Micki Williams and Aaron DuBoise, and Mr. Simpson. "Guess who's Bart!"

Hannah Henrie and Daniel Ochoa. "Hangin' tough."

Traci Rogers, Rochelle Crosswhite, and Katy Parsi. "We didn't start the fire!"

This year's yearbook was a huge success. The whole staff worked hard on their spreads, and had a great time. The theme was "91 ON the ROCKS", and was based on music. The annual contains 8 pages of exclusive color shots, while 16 pages make up the mind-boggling spot color. We feel that this year's annual has been a wonderful experience, and we are proud of what we've accomplished. GREAT JOB!

Eugina Gilmore and Tonya Billie take time to stop and smell the roses.

Gina and Tonya practice their layout skills.

Aaron and Hannah work on their spreads before the deadline.

Traci works hard without ever saying a word, HA!

Can't Touch This

1990-91 Homecoming, entitled "Can't Touch This", was a huge success. Maury Hatch and Marcie Timmons were selected as King and Queen. Other camdidates included Justin Nelson, Manny Perez, Brandon Scott, N'gai Lee, Rebecca Quintana, Betsy Simonton, Georgia Kretsedemas, and Donna Montano.

The Class of 93 took top honors in the float contest followed by thne juniors, seniors, and freshmen.

Homecoming was dedicated to Art Griffith, long time Winslow teacher and coach.

ABOVE: A picture is worth a thousand words. The Class of 93 took top float honors. BELOW: The freshmen add their entry to the contest.

The junior float took second place honors for the second year in a row.

KIDS VOTING

This year was the first for Winslow High School to participate in the Kids Voting program. This state-wide program is designed to prepare students for their ballot duty and to influence students' parents to get out and vote. Winslow's votes were tabulated with students from around the state. All in all, the program was a great benefit to the students and kept them informed during this past exciting election year.

The gym provided a convenient place for students to get comfortable while voting.

How do we fit into such a small space what we wish to say to you? There isn't enough room to say the things we feel or tell you what we want to convey. Above all else with pride in our hearts, we do want you to know you have blessed our lives, and we thank God each day He saw fit to allow us to have a daughter such as you.

Who cares if Josten's doesn't give out awards anymore! You deserve one this year. Great job. We'll miss you Micki, Aaron, Daniel, Hannah, Gina, Tonya, Aileen, and Sheryl.

Feelin' Groovy

Josh,
I want to thank you for everything you've done. For all the support and love you've given me. You are very special to me and I will always cherish our times together.
So when the time comes for you to leave, I want you to know that I will miss you, but I also wish you the best, because you deserve no less.

I love you !

DEAR AILEEN,

You've made it, the end of high school. And I just wanted to let you know how special you are to me. We have been through so much in the past seven years, way too much to let anything or anyone come between our friendship. I know we've had our bad times (they always seem to stick out), but we've also had our good times and they outnumber the bad a million to one. If you ever need a shoulder to lean on you know I'll always be here. Good luck in your future and God bless you.

I love you,
Billy Gene

SENIOR JOURNALISTS:

Georgia, Betsy, Brandy, Michele, and Donna: Thanks for all your hard work and dedication. The past years have been educational and fun.

You were overworked and underpaid, but our graduating peer counselors were greatly appreciated. Tiffany & Manny are the last of our charter members-- Thanks for the years of faithful service. Aaron, Georgia, Linda, Shannon, Antoinette, Daniel, Aileen & Marlene: You'll never know how much you've helped others. THANKS!!

THE COUNSELORS

Aaron:
Well, you made it. We're proud of you. We wanted to point out some things only you would say. Did you know that when you don't understand something you say, "shoooot." And why do you say "huh" after everything? We love you anyway and we'll miss you. Have fun in college.

Wendi, Janet, and Fred

CONGRATULATIONS, AILEEN!

You have been a blessing in our lives. Thank you for all the beautiful memories you have shared with us.

Words cannot express how very proud we are and how very much you are loved! Remember, you can always count on us!

**God Bless,
Mom, Dad, and Nate**

KARYN,
HOORAY! YOU MADE IT!
WE'RE PROUD OF YOU.

No matter how long I live, I'll never forget.........

The Class of '91
All the friends I've had and, the opportunity to spend all of my high school years with them.
The great year I've had with Tiffany Lunn.
Prom '90
April '88 when my parents brought home my drum set.
When a bunch of people met at the little league field at the begining of the year and we played baseball, football and painted our names in the street.
Chip's moustache.(Ask Manny and Robby)
The good friends at W.H.S.
Basic Training
When I was homecoming candidate.
All the memories that Winslow High School has given me.
August 12, 1989-the night I almost died.
The day Lacy hit the "Turkey".
The first time Cory and I started going out.
The day Marci took out her teeth and I about had a heart attack.
My one and only true love:
My boyfriend, Sly!
My junior Prom and my Senior year.
When I beat up my boyfriend my sophmore year at Roosevelt.
My first dance with Shanon Summers.
When I fell down the stairs my freshman year.
This high school year.
All those crazy talks the matmaids had in the van.
The night that I got three tickets from the same cop.
W.H.S
All the fun I had during my high school years.
Coach Bratts practices and vocabulary.
The first time I ever made the Arizona All-State choir.
The night at the Ramadas with John.
How much fun I had in high school.
The time a friend and I were driving around on the hills. We didn't know there was a dead end and we crashed into a ditch.
The night I left my date at the Prom.
The special times with Traci.
The time Betsy slipped on the ice and slid halfway under her car.
The awesome times and people.
How fun my senior class was and the fun I had with Alice and Rebecca.
